Dear Customer

**Discontinuation of Espline-TP (219126) and
Espline Influenza A&B-N (231425).**

We have been informed by Fujirebio that they have discontinued these products with immediate effect.

Could we ask you to amend your files to reflect these changes?

We still have a limited stock of the Espline TP (219126) 59 kits with an expiry date of 30/06/21. Should you wish to order any of these can I ask that you do so as soon as possible.

Thank you for your support and understanding. Should you have any queries, then please do not hesitate to contact us.

Regards
